

800 watt solar panel price

How good is the 800W 12V/24V monocrystalline solar premium kit?

800W 12V/24V Monocrystalline Solar Premium Kit The system has been installed a few months now. So far it has functioned perfectly. I have been surprised at the systems output on overcast days which we get a few of in southern Indiana. Installation was pretty straight forward though the kit was not complete for my 12 volt application.
