

Blavor solar power bank review

How many devices can a blavor power bank power?

You can power up to three devices at once while also charging the power bank itself via solar or AC. Note, however, that Blavor supplies only a very short USB-C cable and no AC adapter. Between the four folding solar panels and 20,000-mAh rechargeable battery, it's no surprise the unit is on the hefty and bulky side.

Testing Solar Power Banks. I left solar power banks from BioLite, Blavor, 4Patriots, and Hiluckey on my patio for four days to see how well they charged. None of them (except one) got past the first blue blinking dot. Even when I propped up the solar power banks at the same angle as some of the best portable solar panels, it never amounted to much.
