

Company cotton solid bedding

What is eco-friendly organic cotton?

Eco-friendly organic cotton is soft on you and the planet too. Offers a bit of stretch & the relaxed feel of a favorite t-shirt. Soft & inviting texture that just gets better with time. Gently brushed for an incredibly soft touch. Expertly tailored from the top materials, our high-quality sheets are supple and smooth.

Are company store cool cotton percale sheets any good?

When it was time to get new sheets, I decided to try the Company Store Cool Cotton Percale. What a revelation! They are thicker but more crisp and cool. They don't wrinkle, which is pretty amazing. For people who love the crisp cool percale, these sleep better than any sheet I've owned.

What is eco-friendly & organic bedding?

Our eco-friendly and organic bedding is crafted using sustainably sourced materials and environmentally and socially responsible methods. Choose TENCEL(TM) or bamboo/cotton--sheets that are healthy for you and the environment.

Are combed cotton percale sheets good?

Offered in a vast array of new colors (don't worry, they still coordinate nicely with the originals), our combed cotton percale is lightweight and cool to the touch--perfect for warm nights or hot sleepers. Love these sheets! Submitted as part of a sweepstakes entry Great sheets that keep you cool at night even when it's hot out.

What sizes do cotton sheets come in?

We have the sizes you're looking for: shop cotton sheets for beds in Twin, Twin XL, Full, Queen, and King sizes. For mattresses more than 16 inches deep, our deep pocket sheets allow full coverage for comfort--without the slipping and bunching that comes with sheets that are too small.

Up to 1% cash back! Super smooth, crisp, and cool--these cotton percale sheets are super soft to the touch. 300-thread count. 100% combed cotton percale. Fitted sheets feature an all ...
