

Does the new equipment have more outdoor storage

Are industrial outdoor storage sites the future of e-commerce & logistics?

Once overlooked as little more than open-air spaces for trailer parking, industrial outdoor storage (IOS) sites are emerging as a promising niche for their increasingly significant role in the e-commerce and logistics sectors and their potential to earn strong returns for investors.

Is industrial outdoor storage a good idea?

"Certain constraints make traditional warehouse use unfeasible [even though the site is zoned for industrial use], and thus industrial outdoor storage becomes the highest-and-best use for the site," he says.

What is industrial outdoor storage (iOS)?

As more logistics, retail, and e-commerce businesses seek to expand and optimize their operations, industrial outdoor storage (IOS) -- also known as drop lots -- continues to increase in popularity. These facilities provide outdoor storage for tractor-trailers, industrial equipment, materials, and goods.

How do I choose the best outdoor storage?

Resin sheds are ideal exterior storage solutions as they won't rot, leak, rust or dent. Look for a sleek style that fits in a small yard or on your deck or patio. Choose a small outdoor storage box if you want to store smaller items such as sports equipment or pool chemicals. A deck storage box is a great choice for storing outdoor cushions.

Should you screen an industrial outdoor storage lot?

Screening an industrial outdoor storage lot provides a measure of security and privacy for tenants and a visual block for neighbors. It can also vary depending on the location and the type of materials being stored. Some common screening methods include fencing and landscaping.

How much does a small outdoor storage cost?

A typical price for a Small Outdoor Storage is \$259 but can range from approximately \$68 to \$779. What are the most popular color/finish families of Small Outdoor Storages? Brown Gray Black are among the most popular colors of Small Outdoor Storage. While common, customers also consider Yellow Blue as options.
