Household Energy Storage Series 48V 51.2V 100Ah AT48-100AH Battery Pack Wall Mount Type ... it also provides a complete set of equipment management solutions, including ...

Solar energy systems are becoming a vital part of our overall energy picture. Roof-mounted solar panels create energy instantly from the sun's rays. However, some of this energy is not immediately required and the excess can be saved to battery a storage. This surplus energy can be used at another time when the sun is not shining.

Got the Model A Cherry Cabinet. This is a useful storage cabinet! I bought a white now help my sister bought a second one in cherry color. We are both happy with it. My 4th purchase with FurnitureSG! I'm always a Happy Customer here! Next time, I will be looking for a decent looking white color chair here. I hope you can have more choices here.
