

Gresham house energy storage fund

London, 5th June 2024 - Octopus Energy Group, the largest electricity provider in the UK, has signed a record-breaking battery leasing deal with Gresham House Energy Storage Fund plc (GRID) that uses its Kraken platform to unlock the benefits of the green grid for all.

Gresham House Energy Storage Fund plc (GRID) invests in a portfolio of utility-scale operational battery energy storage systems in Great Britain. GRID seeks to provide shareholders with an attractive and sustainable dividend over the long term, alongside the prospect of capital growth.

Gresham House Secure Income Renewable Energy & Storage LP (SIRES) has been jointly backed by a £65 million cornerstone investment by Centrica and the UK Infrastructure Bank (UKIB) which confirmed its £75 million commitment on a match-funding basis as part of its overall £200 million support for energy storage funds.

Joe Krancki, investment director at Gresham House Ventures, discusses the disruptive force AI has already had on a variety of sectors. Fund flows reveal that investors keep withdrawing...
