According to solar shoppers on the EnergySage Marketplace, the top five solar installers in Portland, OR are Sunpath Services, Energy Solutions, LLC, Premier Solar NW, Cascade Solar, and Power Northwest. How many solar companies are in Portland, OR?

How do I choose a Portland solar company?

Seek out Portland solar companies with at least 3.5 out of 5 stars on Google Reviews and similar customer review platforms. The company should also have a good rating on Better Business Bureau (BBB). Read through reviews to get insight into other homeowners' experiences with a company, and watch for consistent bad reviews.

Where can I get solar panels installed in Oregon?

The company offers solar panel installation services across Oregon, Montana, Missouri, and Iowa. Sunpath Services is a solar panel installation company based in Beaverton, Oregon, just outside of Portland. The company offers residential and commercial solar installation and also works with farms through the Rural Energy Assistant Program.

Is Portland a good place to install solar power?

Portland is one of the best places for solar power. With a solar-friendly climate, a strong commitment to sustainability, and solar incentives for installing solar energy systems, Portland has become an ideal place for solar panel owners.

How much does solar cost in Portland?

The average price of solar is about \$2 to \$3 per watt in Portland, so anything in that range is a fair price. Some prices may be too good to be true. If your installer quotes you way below the average price in your area, proceed with caution. Installers must charge fair prices to remain in business and provide you with 25 years of support.

How much can you save with solar energy in Portland?

Annual solar savings in Portland: On average, Portland homeowners can save \$899 per year by adopting solar energy, according to our calculations based on data from the Department of Energy, the EIA, and NASA.

Attractive Oregon solar incentives and the cost of solar panel installation going down means that there's no better time to install solar in Portland.
