

Solar power porch lights

Can solar lights be used under a porch?

Some solar lights have small panels on each individual light, while others have a single external panel that powers the entire set. You might prefer the latter if you want to use the lights under a porch or covered patio; you'll be able to give the solar panel direct sunlight while keeping the lights where you want them.

Are solar-powered outdoor lights a good idea?

Using solar-powered outdoor lights can set that glowing backyard ambiance in a more sustainable way, and eliminates the need for long, ugly cords or constant battery replacement. They're powered by solar cells that convert sunlight into electricity, which is then stored in an internal battery.

How do I choose the best outdoor solar lights?

Some are staked into the ground while some are mounted or hung on the side of your home. Determine what you need to be illuminated and where you have space to install outdoor lights to find the best outdoor solar lights for your space. Our top pick for most outdoor spaces is the AloftSun Motion Sensor Solar Landscape Spotlights.

What are the best solar powered outdoor string lights?

If you're looking for a set of string lights, we loved the Brightech Ambience Pro Solar Powered Outdoor String Lights, because they held up to water and freezing temperatures. At our testing lab in Des Moines, Iowa, we put 27 outdoor solar lights to the test.

Are solar lights a good option for outdoor space?

One great way to illuminate your outdoor space is with solar lights. Sarah Jameson, marketing director of Green Building Elements, says, "Solar lights, compared to low voltage and line voltage outdoor lights, are safer and more DIY-friendly since there's little to no wiring required at all."

Are outdoor solar lights worth it?

If you're looking to illuminate your property without the hassle of running wires, then outdoor solar lights can be a convenient and surprisingly cost-effective option.

Outdoor solar lights are great energy savers, and they can be placed virtually anywhere on your outdoor property since they don't require extension cables or a power outlet to work. Instead of having to remember to turn your patio lights on and off, outdoor solar lights conveniently automatically glow all night long in any season.

Of course, that is until you discover solar-powered lanterns, string lights, and spotlights to illuminate your patio without the added cost. Walmart's exclusive Better Homes & Gardens collection has plenty of solar lighting options suitable for hanging over decks, lining up by walkways, and adding to landscape areas.
