Lorde has been working on Solar Power for several years now. Back in 2019, she told fans that she had to delay the project's release after her dog died. In May 2020, she updated fans again ...

Lorde told Apple Music's Zane Lowe on Primal Scream's 1990 dance rock single "Loaded" inspired her song, though she hadn't come across it before penning "Solar Power." "I had never heard Primal Scream in my life. I'd been told to check them out," Lorde said, adding that when she wrote the tune on the piano, she realized it sounded similar to the English band's track.

Lorde's third album Solar Power was born out of an epiphany. "I was very much raised outdoors by the beach, in the ocean, outside," the Aotearoa New Zealand pop titan tells Apple Music. "But it wasn't until I got my

OverviewMusic and lyricsBackground and recordingWriting and productionArtworkSongsRelease and promotionCritical receptionLorde employed a higher vocal range on Solar Power, a departure from the lower vocal register heard in her previous records. The Washington Post stated that her vocals were placed “more centrally in the mix”, while Stereogum described them as “gorgeous”, noting that they sounded different from her usual “breathy, heavy intonations” of her previous works. The singer opted for guest vocalists to compliment her multitrack vocals on several tracks on the album, which she h...
