They felt confident throughout the installation process because of the professionalism of Sunny Energy's staff. 'We had a great experience with Sunny Energy'.

How good is sunny sky solar?

Great service from Anna, Installers did a fantastic job, tidied up afterwards and helped with installing the app. Highly recommend Sunny Sky Solar to anyone. David left a review in June 2020 and 8 months later we asked how the installation was performing.

Is sunny energy the real deal?

Sunny Energy is the real deal! We built a new home in Buckeye and I had three presentations on putting in solar. Mat Thorne was very professional and spent over 2 hours putting together our system that made sense. I love that they are a local company and have their own service and installation team - they do contract any work out.

Is sunny energy a good company to install a solar system?

Sunny Energy handled all interactions with our HOA and the city, making the process extremely easy on our end. Finally, Michael McCaffrey did a great virtual final walk through where he made sure all questions regarding the system and mySolarEdge phone app were answered. I would highly recommend Sunny Energy for a solar system installation.
